

CIVIL ENGINEERING SOCIETY 2026-27

EVENT : LINKEDIN AND RESUME BUILDING WORKSHOP

Date:

30th September 2026

Venue:

Chandrasekhar Hall

Time:

5:00 PM

The poster features a blue and white geometric background with a grid pattern. At the top left is the Institute of Technology logo. At the top right is the CES logo. The main title 'LINKEDIN AND RESUME BUILDING Workshop' is centered, with 'Workshop' in a script font. Below the title, it says 'A practical and interactive session by T. Rahul (Asst. prof) Department of Management Studies'. On the left, there is a list of event details with icons: date (30th Sept 2026), time (5:00 pm), venue (Chandrashekar Hall), and SPOC (Praneela, +91 80740 86854). On the right, there is a portrait of T. Rahul. At the bottom, it says 'Build your Professional Identity : Campus to Career'.

Build your Professional Identity : Campus to Career

Event poster – LinkedIn and Resume Building Workshop

Objectives of the Event

- **Profile Optimization:** Guide students on creating and optimizing a professional LinkedIn profile to boost online visibility.
- **Resume Crafting:** Provide insights into drafting clean, impactful, and ATS-compliant resumes for modern industry standards.
- **Achievement Presentation:** Help students showcase academic achievements, technical skills, and projects effectively to recruiters.
- **Professional Networking:** Teach digital personal branding, networking strategies, and outreach techniques on professional platforms.

DESCRIPTION OF THE EVENT

The Civil Engineering Society (CES), NIT Warangal, organised a practical and interactive “LinkedIn and Resume Building Workshop” on 30 September 2026 at Chandrasekhar Hall. The session was conducted by T. Rahul, Assistant Professor, Department of Management Studies. The workshop was designed around the theme “Build your Professional Identity: Campus to Career” and focused on helping students present themselves professionally for future academic and career opportunities. The **LinkedIn and Resume Building Workshop** was an interactive session designed to bridge the gap between academic life and professional careers. Focused on the theme “*Build your Professional Identity: Campus to Career*,” the event provided students with practical guidance on crafting a compelling digital footprint and creating industry-standard resumes.

The workshop covered key aspects of personal branding, including step-by-step techniques for optimizing LinkedIn profiles, writing impactful summaries, and leveraging professional networks for internship and job opportunities. The interactive workshop featured live demonstrations comparing weak and strong profile setups, followed by an open Q&A session where students received direct feedback on common resume

mistakes, networking etiquette, and outreach strategies for securing internships and entry-level positions.

Event Highlights

- **Interactive Live LinkedIn Profile Walkthrough:** A comprehensive, step-by-step live demonstration on optimizing individual profile elements, including drafting high-converting headlines, composing compelling professional summaries, listing core technical competencies, and strategically requesting endorsements to stand out to prospective recruiters.
- **ATS-Optimized Resume Construction Strategies:** Detailed guidance on selecting clean, modern templates and structuring achievements to successfully bypass Applicant Tracking System (ATS) automated filters while ensuring maximum visual readability for human hiring managers.
- **Real-World Case Comparisons & Best Practices:** Practical comparative analyses evaluating sample "before-and-after" profile setups and resume drafts to illustrate common formatting blunders, weak action verbs, and ineffective skill placements alongside their optimized industry-standard solutions.
- **Dedicated Q&A & Personalized Feedback Session:** An open, highly engaging forum where attendees received direct, real-time advice from the speaker on alumni outreach tactics, cold-messaging etiquette, internship search strategies, and tailormade resume positioning.

Outcome and Conclusion

The **LinkedIn and Resume Building Workshop** successfully marked another impactful initiative by the Civil Engineering Society, NIT Warangal, in fostering student career development. The interaction with an experienced academic and industry practitioner provided students with valuable perspectives beyond traditional coursework, equipping them with actionable techniques to optimize their professional profiles and draft ATS-compliant resumes. With practical knowledge gained in digital networking and personal branding, CES continues its commitment to empowering students with the confidence and tools needed to transition seamlessly from campus life into the professional world.
